

The BHS Administration would like to take this opportunity to clarify information in regards to our virtual learning platform.

- Students are required to complete school work on Wednesdays for attendance purposes only. The work will not be graded but will be used to determine your student's attendance in their Wednesday classes.
- Students may choose to complete a daily discussion question for each of their classes prior to 11PM each school night for attendance purposes only. They are required to complete the daily work assigned during their scheduled google classrooms to pass their classes. Simply completing the daily question prior to 11PM each school night will not result in a passing grade.

For our Paper Based Learning (PBL) Students Only

- Attendance for our PBL students will be based on the completion of the daily work provided to them in packets every Friday at BHS. Students are required to turn these completed assignments into BHS the following Friday and pick up the new assignments.
- If a student does not complete the assignment for a specific school day, they will be counted as absent for that day. Attendance will be entered into power school a week after the work is assigned (when the students turn in their completed assignments and it is graded by their teachers).

PLEASE CONTACT THE BHS MAIN OFFICE IF YOU HAVE ANY QUESTIONS, AND THANK YOU FOR YOUR GRACE AND PATIENCE AS WE ATTEMPT TO CREATE A MEANINGFUL LEARNING EXPERIENCE FOR OUR STUDENTS.
